

## “It Was Very Good!”

The book of Job is about a man who suffered and lost almost all that he had, but who never blamed God—even in his darkest hour. When Job was trying to figure out *why* such hard things were happening to him, God reminded him of the amazing animals of all shapes and sizes whom He had created. (Genesis 1:20–21)

Read Job 38:39–41 and Job 39. Draw pictures of six of the creatures God made—creatures who prove to Job how awesome God is.
